Applicants respectfully request that the Examiner consider the listed document(s) and

indicate that they were considered by making appropriate notations on the attached form. This

submission does not represent that a search has been made or that no better art exists and does

not constitute an admission that each or all of the listed document(s) are material or constitute

"prior art." If the Examiner applies any of the document(s) as prior art against any claims in the

application and Applicants determine that the cited document(s) do not constitute "prior art"

under United States law, Applicants reserve the right to present to the office the relevant facts

and law regarding the appropriate status of such document(s). Applicants further reserve the

right to take appropriate action to establish the patentability of the disclosed invention over the

listed document(s), should one or more of the document(s) be applied against the claims of the

present application. If there are any fees due in connection with the filing of this response, please

charge the fees to our Deposit Account No. 19-2167.

Respectfully submitted,

Michael E. Carroll, Jr.
